## With HOPE there's help, and with YOUR help there's HOPE

The Coronavirus crisis continues to affect our friends and our community. All of us want to help. The Staff and Board of Directors of HOPE OUTREACH continue to support our community with the full resources of our organization. HOPE'S support follows the guidelines established by our local, state, and national governments. HOPE is addressing the current needs of the community as we strengthen the capacity of our pantry and distribute food safely in concert with St. David, the Town of Davie and other community organizations.

Many people within the HOPE FAMILY have asked how they can help HOPE. First and most importantly for the safety of all concerned, we encourage everyone to adhere to the guidelines established by our governmental entities and stay-at-home and stay healthy.

### HERE IS HOW YOU CAN HELP:

- **DONATE ONLINE**  
Your donations directly support the HOPE Pantry and our Financial Assistance programs. Online donations are the safest and most direct support of our efforts.

- **Please note: COVID-19 Stimulus Package / CARES Act**  
Under the CARES Act, donors can get a Federal income tax deduction for charitable contributions of up to 100% of their Adjusted Gross Income (AGI).

- **FOOD DONATIONS ARE ON HOLD FOR NOW.**  
Receiving procedures and protocols are underway and will be implemented as soon as possible for the safety of our donors, volunteers and staff.

The need will continue to increase as will the financial toll this unprecedented economic challenge takes on our community. Our Staff will continue to make decisions to safely and effectively handle the additional workload. Our main concern is the health and welfare of all the volunteers who have historically supported these efforts.

**THANK YOU for your continued support of HOPE during these challenging times.**
